Candidates will be allowed inside the verification hall for document verification based on the token number issued at the venue. Entry will be based on the token numbers being announced at the entry gate. The candidate has to be available at the entry gate where announcement for token number is being made , so as to ensure that he/she does not miss the chance to enter the hall for verification

In case , any candidate misses his or her chance to enter the hall, when his /her respective token number is being called , he or she needs to take a fresh token number and wait for the new number to be called.

Please note that the number of tokens that can be issued during any session is limited to a maximum of 900 tokens during each session for token issue. Candidates are advised to attend document verification as early as possible during the time notified in order to avoid last minute rush at the venue.

All other process and guidelines as mentioned in counselling process document and notifications remain the same.
