COMEDK's UGET 2021 – Further extension of last date of application

Through its notification dtd. 14.06.2021, COMEDK had extended the last date for submission of completed application online upto 31.07.2021 and it was informed that the edit facility will be provided from 02.08.2021 to 04.08.2021. Subsequently, citing many difficulties because of COVID-19 and also the ambiguity regarding publication of 10+2 results, many candidates have called the helpdesk requesting for extension of last date for filling online application.

In view of the above, the last date for submission of completed application is further extended upto **11.59 PM of 3rd August 2021**. Likewise, the edit facility to update test city preference, academic details and photo upload is available from **11.00 AM of 5th August 2021 to 05.00 PM of 7th August 2021**.

Please note: All the cities which are listed out in the Brochure will be available for selection during the edit period since few additional nodes are made available in all the test cities. The candidates can make use of this if they want to change to a test center nearer to their home. **However, allotment of the test center is based on the availability of the nodes at the test center and also on the changes effected by other candidates.** Hence, COMEDK reserves the right to allot any center other than the one selected by the candidates.

All other terms and conditions brought out in the Information Brochure dtd. 19.03.2021 and subsequent notifications will prevail to the extent not contrary to this notification.

The candidates are required to refer to the COMEDK web site www.comedk.org only for all updates.
